

BUILDING RESILIENCE. STRENGTHENING COMMUNITIES. WE'RE ACR.

Programs that help people build resilience, strengthen relationships, and navigate everyday life.

Amplify Community Resources provides evidence-informed, relationship-centered programs that help youth, families, and communities build emotional resilience, strengthen healthy communication, and develop social, linguistic, and cultural competencies that support lifelong wellness.

OUR PROGRAMS

AMPLIFY COMMUNITY WELLNESS

Health fairs, wellness forums, and workshops built around the needs of government and community organizations and the people they serve.

TEEN TALK DIALOGUE SESSIONS

Facilitated dialogue for ages 13–21 that builds trust in authority figures and community well-being.

HEALTH & WELLNESS COLLEGE TOUR

Forums, film screenings, workshops, and health fairs on college campuses, with student ambassadors trained to continue the work.

OUR APPROACH

EVIDENCE-INFORMED PROGRAMMING

Programs shaped by research, community needs, and measurable outcomes.

EMOTIONAL RESILIENCE & WELLNESS

Supportive experiences that strengthen mental, emotional, and physical well-being.

COMMUNITY-BASED ENGAGEMENT

Programs delivered with schools, agencies, municipalities, nonprofits, and local partners.

EVALUATION & REPORTING

Data-informed tracking, participant feedback, and outcome reporting that support accountability.

PROVEN RESULTS

TEEN TALK DIALOGUE SESSIONS

78.8% Youth less likely to get into fights and conflicts

74.2% Youth report having more respect for authority figures

Teen Talk & City of Miami wellness surveys, 2022–2025

AMPLIFY COMMUNITY WELLNESS

84.8% Participants sharing positive feedback about ACR's programming.

78% Participants expressing interest in additional programming with ACR.
